One of my favorite vacation places is Mexico. I really like the weather there because it never gets cold. The people are very nice too. They never laugh at my bad Spanish. The food is really good. Mexico City is a very interesting place to visit. It has some great museums and lots of attractive old buildings. The hotels are too expensive to stay but there are some suitable places. For example, you can stay at one of the beach resorts like Acapulco. If you are planning to visit Mexico, you should certainly see the Mayan temples near Merida.

Last summer, we decided to spend our vacation at the beach because the weather was very hot in the mountains. The travel agent said that travelling by bus was the cheapest way, but we went by plane because it was faster. We wanted to have more time to spend at the beach.
